## LGA NEWS

The end of Season Couples dinner was held November 17th at Sweet Tee's restaurant. Eight couples were present for social time and good food. This season was challenging with the hot, hot weather and peoples' other obligations but anytime we did play we always had a great time with fun games and awesome people.

Every time we play, we pay and at the dinner a lottery was used to pick money winners.

Winners were:

\$100 Jeannine Amos

\$75 Carol Benniger

\$50 Renee Wyatt (who can never say again that she never wins anything)

\$25 Tyke Oliverio (who handed it over to Rosanne. Smart man)

A Special thanks goes to Kim and Mike Propst for running couples and keeping track of everyone that received a ticket for the lottery. We hope more couples will join us next summer and we look forward to seeing those old and new.

LGA hopes everyone had a Happy Thanksgiving and we wish you all a very Merry Christmas!

*HoHoHo!*

## Pro Shop Hours

**CLOSED**

**DRIVING RANGE WILL REMAIN CLOSED**

Call the Pro Shop if in doubt

Pro Shop 304-624-5807

*If you need something from the Pro Shop  
contact Doug.*

---

*Please pay off your balances that are due to  
the pro shop. The pro shop and the country  
club are separate and there are many with a  
balance remaining. I have a current list of  
those with credit and those with balances in  
the pro shop. I want to have the shop  
emptied by the end of the year so that we  
can fill it back up in the spring with  
inventory.*

*SAVE THE DATE!!!*

*2025 Member/Guest  
June 19-21*

*2025 Calcutta  
August 16-17*

## WARNING

*Please do not go on the course  
when FROST is present.*

*Walking on frosted greens, tees or fairways  
will KILL an area of grass  
exactly the size of your footprint.*

*Thank you!*

## Aerification Process Performed in November:

Jesse Martin, who is an expert in the aerification process with many courses throughout the area relying on his team and equipment, he stressed that a process of a deep core aerification and an overseeding will help immensely on what can be expected in the spring of 2025. This is what we performed in November.

The aeration we perform is called core aeration. It involves using a machine to tear out plugs (or cores) of turf. This process rips apart roots and makes small holes in the turf. At the same time, the machine ejects the plugs of turf & soil to your lawn surface. These will gradually decompose and return the nutrients to the soil.

These holes benefit the course in several ways.

1. **They open compacted soil, allowing more oxygen, water, and nutrients to get to the roots.** Soil that is too compact does not absorb water and nutrients as well. It can cause water runoff and drainage issues. It also stifles grass growth because nutrients, including oxygen, cannot reach the roots.
2. **They encourage new and deeper root growth because the roots will expand and fill those empty areas.** Strong grass roots are important to the long-term health of your lawn. A good root system can help protect your grass against disease and drought.
3. **The holes help reduce lawn thatch.** Although some thatch is a protection, too much thatch serves as a barrier preventing air, water, nutrients, and fertilizer from reaching the soil. A heavy thatch layer suffocates the course.

*From the Greens Committee*

For the Winter months we have established Winter Tees. They will not affect handicaps since scores are no longer taken after November 30<sup>th</sup>.

*Mike and the Greens Staff have been working hard to prep and prepare for the upcoming winter season!*

Hole #5 Green has been completely revamped and should be ready to go for Spring Tee-Off

Throughout December and January, they will be trimming trees and bushes and cleaning up unwanted debris from the course.

## *Restaurant Update!*

As many of you have heard, Steve and Eva from Sweet Tee's have decided to not renew their contract for 2025. While this has been a gut punch to us here at CCC, we understand and respect their decision. Their last day open will be December 21, 2024.

Eva and Steve, as well as all the Sweet Tee's staff, has been part of our CCC family for 5 years. We have laughed together, argued together, and cried together and we will miss them ALL tremendously!! We wish them the best in their future endeavors and encourage all our members to patronize them at Kaz's BBQ in Bridgeport!

That being said..... The CCC Board is weighing all options regarding the restaurant including taking it back over in house as well as finding a new lessee to take over.

In full effort to gather all the information we can and to weigh all our options, we have put a post in the Exponent Telegram and all the surrounding papers requesting proposals for anyone interested in taking over our restaurant. Because we are trying our best to make the BEST decision, we will NOT have something in place by December 21, thus, the restaurant will NOT be open the from Dec 21 through the month of January 2025.

Our main goal is to do what is BEST for the club and its members and we do not want to rush into a decision that may be less than suitable. Thank you to all our members for your patience while we navigate this process and we will keep you updated as information becomes available.

If any members would like to submit a proposal to be considered, please email it and any questions to [info@clarksburgcountryclub.com](mailto:info@clarksburgcountryclub.com).
